

Please complete the form below if you think you meet the criteria for your child coming to school from Monday 23<sup>rd</sup> March. School will then contact you once a decision has been made.

Guidance can be found at [www.gov.uk](http://www.gov.uk), however please keep in mind the following points:

1. **If it is at all possible your child should stay at home.** This is about the fight against Covid-19 and is critical at this point in time; we all need to do everything that we can to slow the virus down. We want to protect your children, maintain the infrastructure in the country and also **protect the staff** who are coming to work every day with a determination to carry out their vital role.
2. Only one parent needs to be a critical worker in order for you to send your child to school **however please keep point 1 in mind.**
3. If your child needs specialist support, is vulnerable or has an EHCP, we will try to provide educational provision for them. Please be aware though, that due to staffing shortages, we may not be able to provide the usual level of support that children need (including 1-1.)
4. Parents should not rely on childcare by those who are advised to be in the stringent social distancing category such as grandparents, friends or family members with underlying conditions.
5. Parents should do everything to ensure that children are not socially mixing in a way which can continue to spread the virus.
6. If your child is eligible for free school meals there will be a system to ensure that this continues either through a voucher system agreed with local supermarkets and shops or through the school providing and delivering meals. We will be in touch as soon as we know more about this system.

### Childcare Form:

Does at least one parent work in a Key Role as defined by the Government? Please highlight	What is the role and name of your employer?	Please highlight which days you need childcare during school hours (8.50am – 3.15pm)					We have details of children with EHCPs or working with Social Care – are there other reasons your child would meet the “vulnerable children “ criteria?
