### The PE and Sport Premium Grant 2017-18

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that we should use the premium to:

- develop or add to the PE and sport activities that our school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs
- run sports activities with other schools

Schools must publish:

- how much funding they received
- a full breakdown of how funding has been or will be spent
- the effect of the premium on pupils' PE and sport participation and attainment
- how school will make sure these improvements are sustainable

Action and Spending Plan 2017-18			
Total funding 2017-18 £13,292			
Activity	Cost	Impact	Sustainability

<p>Sports Coach to provide a well-planned and resourced PE curriculum.</p> <p>1 hour per class each week with training for staff</p>	<p>3060</p>	<p>100% of pupils will take part in high quality PE lessons led by specialist sports coaches and as a result improve their gross motor skills and specific skills including throwing and catching, kicking, aiming at a target, balancing, running and jumping. It will also enable all pupils to take part in early and appropriate competitive games.</p>	<p>This activity includes professional development for all staff therefore increasing their skills at delivering high quality PE teaching in the future.</p>
<p>Football Coach</p> <p>6x 1 hour lessons per year, per child</p>	<p>3280</p>	<p>100% of pupils will take part in high quality PE lessons led by specialist sports coaches and as a result improve their gross motor skills and specific skills including kicking, ball control, aiming at a target, balancing, running and jumping. There is an emphasis on team skills, communication and collaboration. Pupils will take part in early and appropriate competitive games.</p>	<p>This activity includes professional development for all staff therefore increasing their skills at delivering high quality football teaching in the future.</p>
<p>After School Football Club for 25 children (rotating) each week</p> <p>After School Dance Club, 45 minute lesson for up to 25 children (rotating) each week</p>	<p>Included in cost above</p> <p>50 per week, 30 weeks per year</p> <p>1500</p>	<p>At least 65% of pupils R-Y2 will attend an after-school physical activity club.</p>	<p>Pupils develop increased levels of skills and confidence in sporting activities, along with developing a sense of enjoyment through participating in sports.</p>
<p>Spending on PE/ Sport resources (indoors and out) and the ongoing development of the outdoor learning</p>	<p>5450</p>	<p>Provision of improved PE / PD resources to benefit current pupils and those that will join the school in the</p>	<p>Children, on entry to school can lack physical confidence and benefit from support in both fine and gross motor</p>

<p>environment designed to support and promote physical development.</p> <p>Current priorities: provision to develop confidence, balance, grip, upper body strength; planning group established and school council consulted.</p>		<p>future.</p>	<p>control and co-ordination.</p> <p>(Evidence: on entry assessments; Nursey and YR in PD are lower than ARE)</p> <p>Research and evidence supports the assertion that good physical development in the Early Years has a significant impact on cognitive development and later learning outcomes.</p> <p>Facilities improved to enable sustained high quality PE provision.</p>
<p>Total spend</p>	<p>Total: 13290</p>
